STEP 1 — LAUNCH YOUR APP

🚀 **Click Here to Open Your Planner**

`https://rehanlabs.github.io/ADHD-Budget-Planner/`

📱 Opening on your phone?

If you're reading this on a computer, simply open your phone's camera, point it at the QR code, and tap the notification link to open the app directly on your phone!

Works on all iPhone, iPad, and Android devices.

STEP 2 — ADD TO YOUR HOME SCREEN (CRUCIAL!)

📱 iPhone / iPad (Safari)

- ✓ Open the link above in **Safari**
- ✓ Tap the **Share button** (square with ↑ arrow)
- ✓ Scroll down and tap **"Add to Home Screen"**
- ✓ Tap **Add** — app opens full screen & 100% offline!

🤖 Android / Desktop (Chrome)

- ✓ Open the link above in **Google Chrome**
- ✓ Tap the **three dots menu (⋮)** top-right
- ✓ Tap **"Add to Home Screen"** or **"Install App"**
- ✓ Tap **Install** — runs natively like an app store app!

💾 **Running on a Mac or PC?** You can also run 100% offline straight from your computer hard drive! Just open the `offline-backup` folder in your download and double-click `index.html`.
